Digital Literacy Project

Student Details

Name: Mayukh Ghosh
Registration Number: 25BAI11291
Branch: B.Tech CSE AIML
University: VIT Bhopal University
Course Code: CSE0001 – Digital Literacy

Project Overview

This repository contains my **Digital Literacy Portfolio Project** created as part of the **CSE0001 – Digital Literacy** course at VIT Bhopal University.

The aim of this project is to develop digital awareness, build a professional online presence, and understand safe and responsible use of digital tools and platforms.

The project is divided into **five tasks**, each corresponding to a module of the course.

Module Summary

Task 1 – Digital Literacy Awareness Infographic

Created an infographic explaining digital literacy, safe internet practices, and professional online presence using Canva.

Task 2 – Student Digital Portfolio

Created and updated professional profiles on GitHub, LinkedIn, and Kaggle.

Task 3 – Coding & Collaboration Platforms

Completed a beginner coding challenge on Codechef and created a Google Form quiz.

Task 4 – Professional Email & Etiquette

Prepared two professional email drafts and a social media do’s and don’ts checklist.

Task 5 – Cybercrime Awareness

Created a cybercrime case study and an online safety prevention checklist.

Tools & Platforms Used

- GitHub
- LinkedIn

- Kaggle
- Codechef
- Google Forms
- Canva

Learning Outcome

Through this project, I learned the importance of digital literacy, professional communication, online collaboration, and cybersecurity awareness.
